Title: Seasonal Nursery Technician II

Job Type: Seasonal

Work Location: Princeton, ID

Principles

Wildlife Habitat Nursery produces containerized native plants for use in stream and wetland habitat restoration projects. We have a team of 3-4 full time employees, and 4-5 seasonal/part time employees. Our primary goal is the organized and efficient production of excellent nursery stock. Responsibility, attention to detail, good communication, and organizational skills are key.

Summary

WHN is looking to add a seasonal team member to our crew. Our fall shipping season is one of our most active times of year, and it is likely you'll be doing something new every day. The primary task of this position is to help sort, grade, and organize plants for customers for fall planting. Assistance with deliveries and willow collection may also be part of this role.

Responsibilities and Duties

- Operate loaders and ATV's
- Sorting, grading and organizing one gallon to 8-gallon containerized plants
- Willow cutting collection and seed collection
- Pulling & boxing seedlings

Experience

- Nursery experience preferred but not necessary
- Equipment experience preferred (ATV's, skid steers, fork lifts, chainsaws, hand tools)
- Forestry, agricultural, or other related field experience preferred

Qualifications and Experience

- Ability to lift, carry or move up to 70 pounds, we frequently lift 40 to 50 pounds
- Highschool diploma or GED, over 18 years of age

Schedule and Pay Rate

- September 3rd – December 20th
 - o 40-50 hours per week, however we are willing to work with part time (at least 20 hours per week) schedules depending on the candidate
 - o 7:00 – 3:30 or 6:00 – 2:30 to start dependent on weather
 - 8 hours per day starting in September, transitioning to 9-10 hour days Sept. 16 through October 31st.
 - o Flexible start and end times available, and weekend work is available
- Pay rate
 - o \$16.00-\$18.00/hr depending on experience and availability
