Title: Seasonal Nursery Technician II

Job Type: Seasonal

Work Location: Princeton, ID

Summary

Wildlife Habitat Nursery produces containerized native plants for use in stream and wetland habitat restoration projects. We have a team of 4 full time employees, and 4-5 seasonal/part time employees. The nursery industry is a rapidly growing field with a high demand for labor and plants. Wildlife Habitat Nursery is a family-owned business that has been expanding over the last several years and will continue to add seasonal and full-time team members to our staff as the market grows.

Principles

Wildlife Habitat Nursery's primary goal is the clean, organized and efficient production the highest quality nursery stock. Responsibility, attention to detail, good communication, and organizational skills are helpful.

Responsibilities and Duties

- Planting and sorting one gallon to 8-gallon containerized plants
- Pulling & boxing seedlings
- Thinning & weeding seedling trays
- Willow and berry seed collection and processing
- Equipment operation training and use (Articulated Loaders)

Projects for 2023

- Expanding the willow cutting beds
 - o Moving dirt and leveling to add to our existing willow cutting areas
 - o Fencing and prepping for fall planting of cuttings
- Expanding nursery operations on existing property
- Screening compost & mixing planting soil

Qualifications and Experience

- 17+ in age, must have driver's license and transportation to and from work
- Ability to lift, carry or move up to 70 pounds, we frequently lift 40 to 50 pounds
- Horticulture, plant science, or agriculture experience preferred
- ATV, forklift, large equipment operation experience preferred

Schedule and Pay Rate

- May 15th – August 18th work period, 40-45 hours per week
- \$15.00/hr – \$17.50/hr starting wage depending on experience
 - o Additional pay and benefits available to match experience and qualifications
- 7:00 – 3:30/4:30 in June 30th, 6:00 – 2:30 in July and August
